Jamie, you sent the right version that I had made revisions too, I was just looking at it under "simple markup" so the changed text wasn't highlighted. Here is the extra text regarding study quality (highlighted). It is basic, but I don't know what else we can say.

Ex. 5 Deliberative Process (DP)

OK, I've tried to make changes in response to Vince's comments.

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Also, I addressed Vince's comment on p 2-41 in the haz ID section (p 1-54) since that seemed more appropriate. This resulted in me adding four new references...once HERO adds those references, I can update the document.

Yes, Vince's comments on pages 2-31 and 2-37 were quite right. Please replace the numbers with:

Ex. 5 Deliberative Process (DP)

In addition, his comment on footnote b of Table 2-7 can be addressed with this edit:

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

On p. 2-50, he wants a different header for the last column in Table 2-13. Sort of using both suggestions, how about: "Cancer Risk During Age-Specific Exposure Periods". (This would also apply to Tables 2-14 and 2-15.)

Thanks,
Karen

Jamie, thanks for scanning this for me. Most of these comments seem pretty straightforward. But a few I will need more direction on.

[Karen, can you review Vince's comments on pages 2-31 and 2-37? **Ex. 5 Deliberative Process (DP)**]

Jamie, the comments I do not know how to deal are as follows:

Ex. 5 Deliberative Process (DP)

PP 2-14, 2-15, 2-24	Ex. 5 Deliberative Process (DP)
Ex. 5 Deliberative Process (DP)	

Page 1-85: Probably a simple edit, but I'm not sure what Vince is indicating.

Page 2-50: This comment is hard to read on my scanned copy.

Hopefully we can talk soon to discuss these comments. In the meantime, I'll work on the easier ones.

Kathleen,
Here are Vince's hand written comments on the BaP TR. If you have trouble reading the scanned version, give me a call and we can try to decipher together (or I can mail you the original copy). There may be some that require Karen's or others input...I haven't had a chance to go through all of it yet, but it doesn't look like a lot of edits.

Thanks,
Jamie
